Comment on media speculation

Healius Limited (Healius) notes the media speculation in The Australian today and states that there has been no finalisation of a response on the non-binding indicative offer to acquire all of the shares in Healius by way of a Scheme of Arrangement from a wholly-owned subsidiary of Partners Group (the Proposal). The Board intends to announce its response to the Proposal in the near future.

For over 30 years Healius has been one of Australia's leading healthcare companies with a commitment to supporting quality, affordable and accessible healthcare for all Australians. Today Healius has three main businesses – pathology, medical centres and imaging - and three emerging businesses – dental, IVF and day hospitals. Through its unique footprint of centres and 13,000 employees, Healius provides diagnostic services to consumers and their referring practitioners, as well as enabling a range of independent healthcare professionals to deliver patient care in partnership with Healius' nurses and support staff.
